

Pine Grove Elementary

"Building the bridge from foundation to innovation!"

Winter Village

It's the holiday season at PGE! 6th graders have been busy applying their geometry skills to create spectacular holiday scenes.

Fall Choir Performance

The arts are alive at Pine Grove! The halls were filled with beautiful voices of all 115 choir students under the direction of Mrs. Lehrburger.

Following the concert, students had the opportunity to go on tour at Sierra Middle School, Chaparral High School and local retirement communities.

Family Coding Night

Pine Grove, Mammoth Heights, Prairie Crossing and Sierra Middle School hosted a Family Coding Night on Wednesday, Dec. 6th at Sierra Middle School. This coding event was a great opportunity to expand family's knowledge and passion about computer programming and to explore some amazing resources available to increase coding skills. Thanks to our STEM teacher, Mrs. Tuggle for helping to organize this event!

Book Fair

The Fall Scholastic Book Fair was a huge success! Many thanks to Mrs. Sanders and all the volunteers that helped make this event happen.

Student Leadership Projects

The **PGE Student Community Service Team** is heading up our annual canned food drive for the Parker Task Force and our Grover Cares drive for Pine Grove Families. For the last few years, Pine Grove staff and community have supported a local charity during the holiday season.

The **PGE Anti-Bullying Team** is promoting Kindness Week. PGE students created snowflakes and wrote a kindness act on it to post on the Kindness Tree in front of the cafeteria.

National Elementary Honor Society

Pine Grove Elementary is proud to host a chapter of the National Elementary Honor Society for 5th and 6th graders, beginning with the 2017-2018 school year. National Elementary Honor Society is a club that honors students for demonstrating citizenship, leadership, service, scholarship, and character. Students who excel academically and model exceptional responsibility can become members through a local selection process that concludes with induction into the school's National Elementary Honor Society Chapter. Membership provides an outstanding means to prepare and shape students for their middle level and high school experiences. Please see the office for applications. For questions, please contact our NEHS Advisor, Judy Branch at judy.branch@dcsdk12.org.

Upcoming Dates & Reminders
