

## NEHS at Pine Grove Elementary

Pine Grove Elementary is proud to host a chapter of the National Elementary Honor Society beginning with the 2017-18 school year. National Elementary Honor Society is a club that honors students for demonstrating citizenship, leadership, service, scholarship and character. Students who excel academically and model exceptional responsibility can become members through a local selection process that concludes with induction into the school's National Elementary Honor Society Chapter. Membership provides an outstanding means to prepare and shape students for their middle level and high school experiences.
